Grocery bagging, car washes, sponsorships, Heggess Pizza sales and look into the Achieving dreams program.

MISC. DISCUSSED

Was mentioned that the girls would be required to purchase own ankle weights and jump bands. Coach Kolleen will order these so that everyone gets the correct ones.

Would like to hire a Elementary coach so Coach Kelli and Coach Kolleen can work with the MS, VS, JV and Sideline.

Sideline will be required for anyone who is on JV and V comp cheer. Sideline is a very important program to help recruit possible athletes to the program. It is where the public audience will see our athletes perform.

Agreed to change bylaws to show that previous years board will stay in place to help incoming board until May 1st.

Invite next year board members to our next meeting – looking at date of March 21st as a potential date for meeting.
